✓ Indicates free or inclusive

\*Flat fee for online appointment booking service. No additional fees apply regardless of combination of PPS Express, Local or Hosted.

\*\*This is in addition to your Call Answering Service's own charges.

### **PPS Enterprise**

Our Enterprise system is perfect for organisations with larger teams and bigger demands for software. With a dedicated server, nominated account manager and out-of-hours support, we can guarantee the full solution.

PPS Enterprise is a mixture of all our PPS products chosen specifically to suit your business requirements. If you feel your company would benefit from a customised solution, please call our Sales Team for costs & further information.
